Global Architectural Achievement - Jan. 2026

A shot of a brick reservoir in London's Finsbury Park has been selected as the best architecture photograph of the year at the Arcaid Images Architectural Photography Awards 2026.

“ January commenced with an energetic series of DIY workshops and progressed with notable events, including Sports Week, the 77th Republic Day celebration, and Marathi Bhasha Din. The month was further distinguished by TSAP being honoured with the Distinguished Architectural Institute Award. ”

INSTITUTE ACHIEVEMENT

Institute Achievement: Distinguished Architecture Institute Award From Academic Insights

A proud moment for TSAP as the institute was honoured with the Distinguished Architecture Institute Award 2025 by Academic Insights, recognizing its excellence in architectural education, innovative pedagogy, and contribution to shaping future leaders in the field of architecture.

A recognition of TSAP's Commitment to Academic excellence, digital learning, and a strong culture of knowledge-sharing.

We are recognised as an NPTEL Special Active Local Chapter under the Aspirant Rating for the July–December 2025 semester — reflecting our continued efforts to foster a strong learning culture among students and faculty.

This recognition strengthens our commitment to digital learning, knowledge-sharing, and skill development beyond the classroom. We look forward to deepening this association and encouraging wider participation in NPTEL initiatives in the semesters ahead.

A recognition of **TSAP's** Commitment to Academic excellence, digital learning, and a strong culture of knowledge-sharing.

STUDENTS ACHIEVEMENT

Student Achievement: AYDA awards by Nippon paints

TSAP student Mr. Rishu Jaiswal secured first place in the Nippon Paint AYDA Awards (Asia Young Designer Award). The award provides a prestigious platform to inspire architecture students to hone their skills and showcase their creativity on an international stage.

Dear Prof. Dhiraj N. Salhotra,

Greetings!

We are delighted to see the enthusiasm exhibited by your students for Nippon Paint AYDA Awards 2025-26 this year. We are writing this email to extend our heartfelt congratulations to you and Rishu Jaiswal from the Thakur School of Architecture and Planning, Mumbai for getting shortlisted for the Nationals of the Architecture Category of the Nippon Paint AYDA Awards 2025 - India finale.

This year, we received around 600+ entries across the two categories from all over the country, out of which your student made it to the top 12 in the Architecture Category!

We had Ar. Aditi Pai, Mr. Benny Kuriakose, Ar. Nilanjan Bhowal, Ar. Pooja Bihani, Ar. Sonali Pandit, and Ar. Swapnil Valvatkar on the national jury panel. The national finalists from each category will present their designs at the National finale event tentatively planned at the end of February 2026 in Chennai. The exact mode and further details will be communicated soon by Team Nippon Paint.

The finalists will be mentored by an expert over the next few weeks to empower them to put their best foot forward at the national finale. More details will be communicated to them shortly.

We request the national finalists to send us the following at the earliest possible:

1. In order to accept the shortlist and advance to the next stage of the competition, please fill and sign the attached form and send it back to us as a PDF in reply to this email by 19th January 2026.
2. A photograph/picture of yourself for social media broadcast.
3. Please attach a copy of your college student ID to verify your eligibility. Alternatively, you may submit a recent undergraduate marks sheet/semester memo, or a graduating certificate (for 2025 graduates) as valid proof.

Thank you for all the help and support on behalf of Team Nippon Paint and Ethos Empowers! We hope for a continued association with your institute and look forward to active participation in the future as well.

Warm Regards,

Ar. Nikita Verma

Seminar: National Disaster safety & Management

The seminar featured detailed practical demonstrations, equipping participants with hands-on knowledge and skills to effectively respond to various emergency situations.

उच्च शिक्षा संस्थानों में नागरिक सुरक्षा प्रशिक्षण का संचालन।

आर्किटेक्ट धीरज सहोत्रा
(प्रधान अध्यापक)
ठाकुर स्कूल ऑफ आर्किटेक्चर
एंड प्लानिंग, मुंबई

उच्च शिक्षा संस्थान छात्रों में आपदा को रोकथाम और उससे निपटने की क्षमता विकसित करने में महत्वपूर्ण भूमिका निभाते हैं। अपने पाठ्यक्रम में नागरिक सुरक्षा प्रशिक्षण को शामिल करने से छात्रों को आपदाओं के दौरान सहायक बल के रूप में कार्य करने के लिए आवश्यक कौशल प्राप्त हो सकते हैं।

शिक्षा में इस प्रशिक्षण को शामिल करके संस्थान निम्न लाभ प्राप्त कर सकते हैं:

- छात्रों की सुरक्षा और संरक्षा बढ़ाना
- छात्रों में सामाजिक जिम्मेदारी की भावना विकसित करना
- छात्रों को राष्ट्रीय आपदा प्रतिक्रिया प्रयत्नों में योगदान देने के लिए तैयार करना

कार्योन्मूलन रणनीतियाँ

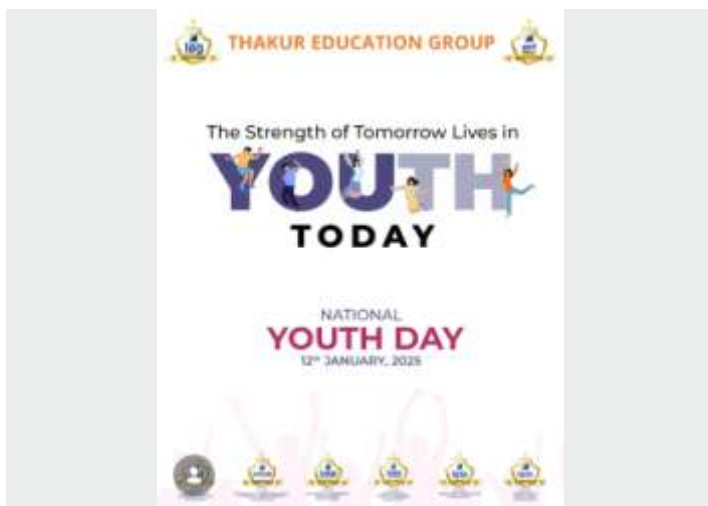

1. अधिकारियों के साथ सहयोग: प्रशिक्षण कार्यक्रमों को डिजाइन और वितरित करने के लिए स्थानीय नागरिक सुरक्षा अधिकारियों, गैर सरकारी संगठनों और आगलकालीन सेवाओं के साथ सहयोग।

2. पाठ्यक्रम एकीकरण: नागरिक सुरक्षा प्रशिक्षण को मौजूदा पाठ्यक्रमों में शामिल करें या इसे एक वैकल्पिक विषय के रूप में पेश करें।

3. स्वयंसेवा के अवसर: छात्रों को आपदा राहत और सामुदायिक सहायक कार्यक्रमों में भाग लेने के लिए प्रेरित करें।

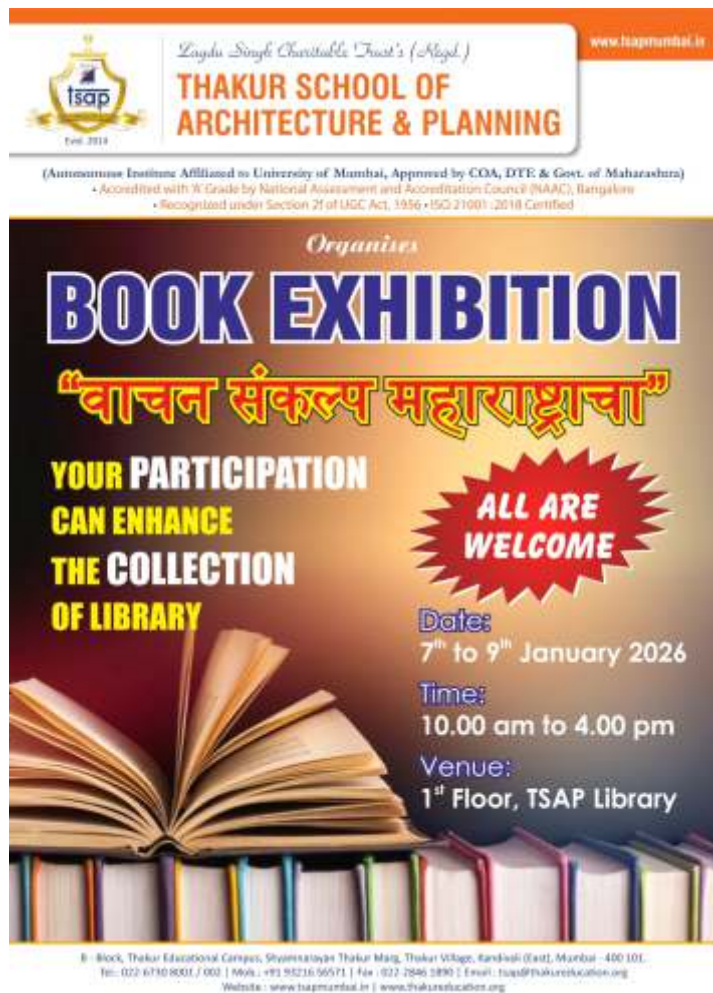

इन सभी में भाग लेने वाले छात्रों ने इस महावर्ण प्रशिक्षण के लिए आधार रखत किया है, जिसने उन्हें कौशल प्रदान किया है और आपदा की स्थिति से निपटने के विभिन्न तरीकों के बारे में जागरूक किया है।

छात्रों ने यह भी बताया कि इस प्रशिक्षण के कारण उन्हें किसी भी आपदा या दुर्घटना की स्थिति में स्वयं और दूसरों की देखभाल करने की शक्ति मिली है। शहर में आयोजित इन प्रशिक्षण सत्रों का नेतृत्व पूर्ण नैपथ्य अधिकारी और नागरिक सुरक्षा कर्मचारी महाविद्यालय की कम्प्यूटर श्रमिकों राखेवरी कोरी कर रही हैं।
